Shortly after that, the snow stops.
The city, however, remains silent.

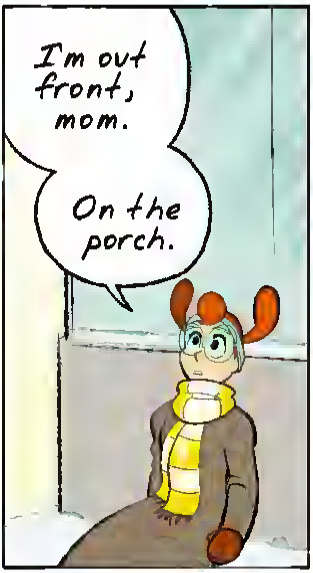
RING RING!

RING RING!

Hello?

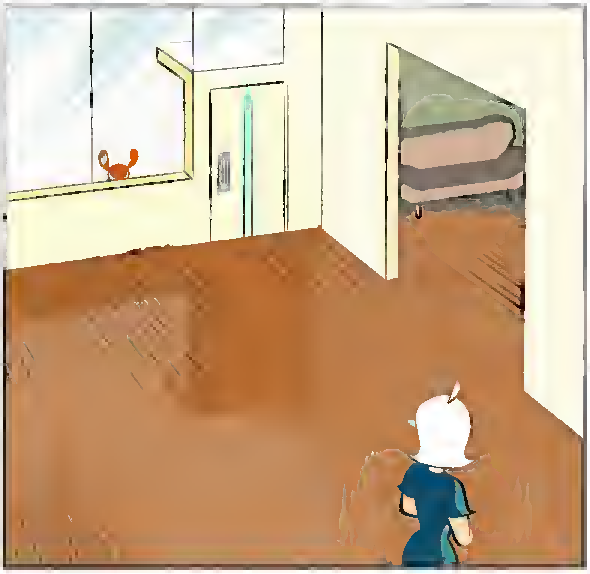
Amy, where

are you?
You promised to be back by now!



I'm out front, mom.
On the porch.

What?



Oh.

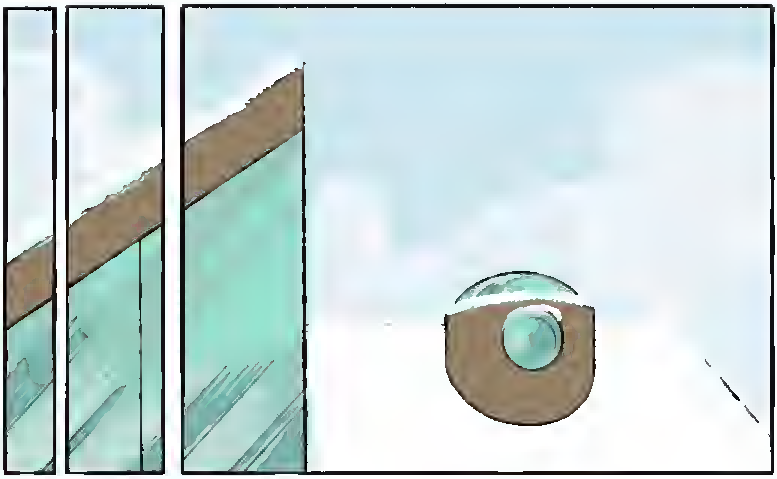
Come inside, silly!
What are you doing out here by yourself?
Thinking.

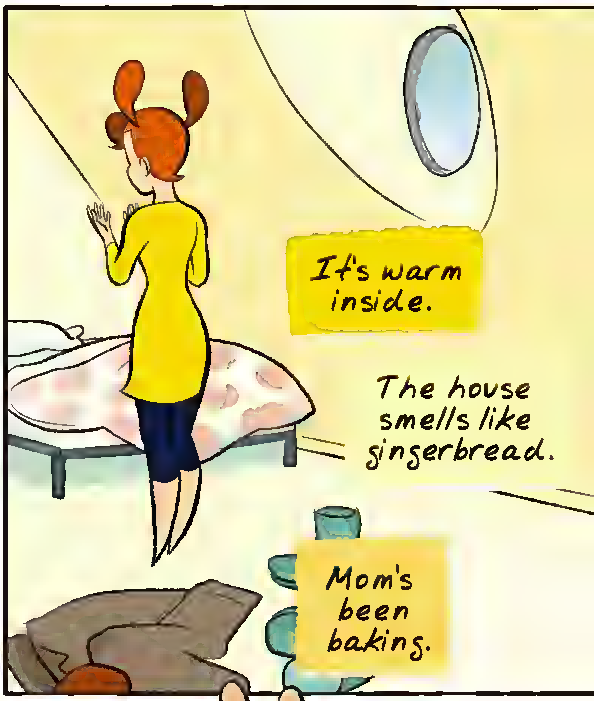
Is something wrong?
Are you okay?
Yes...

Yes, you're okay or yes, something's wrong?
I'm--
I don't know, mom.

I'm a bit out of it right now.

Well, come inside.
Change into some dry clothes and you'll feel better.



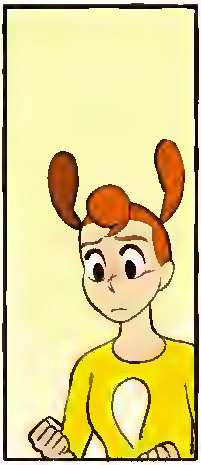


It's warm inside.
The house smells like gingerbread.
Mom's been baking.

My body is thawing out.

So why do I still feel numb inside?

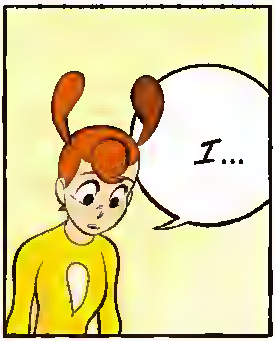
Goodbye, Amy.



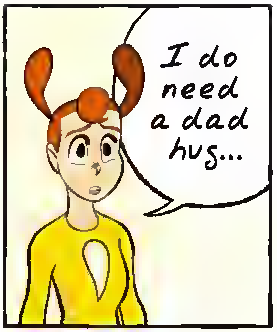
Oliver...
KNOCK

KNOCK!
Hey, Sweet Pea.
Hey, dad.
Um--
Your mother sent me up to check on you.

Wha--
Why?
I don't know.
She said you needed a dad hug.



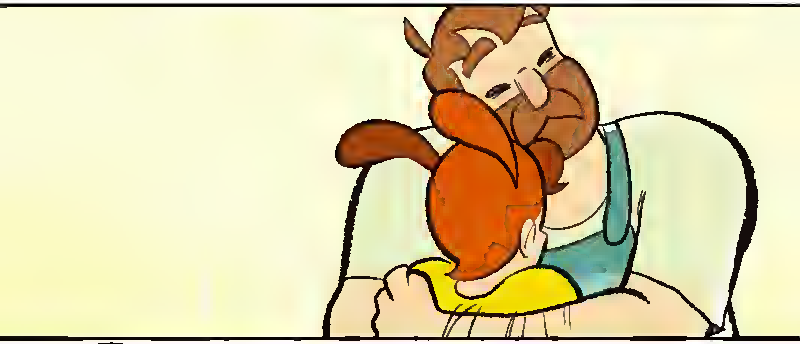
I...



I do need a dad hug...

Well, come here, you.

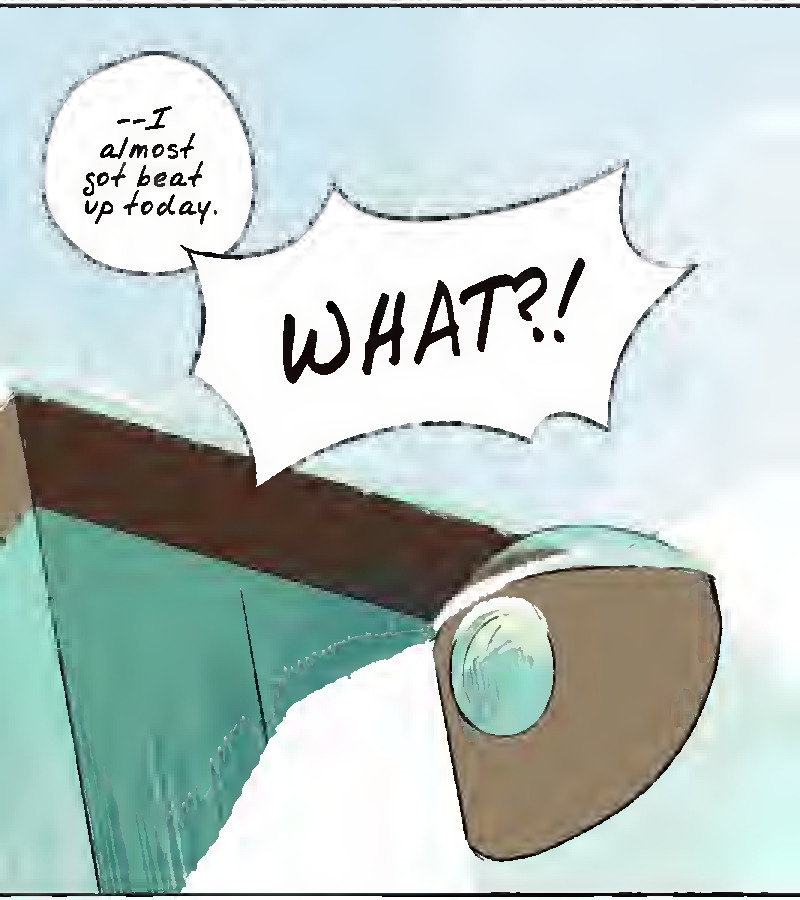
Now, why don't we go downstairs and eat some hot soup?
If you'd like we can even--
SNIFF!



Amy?
You okay?

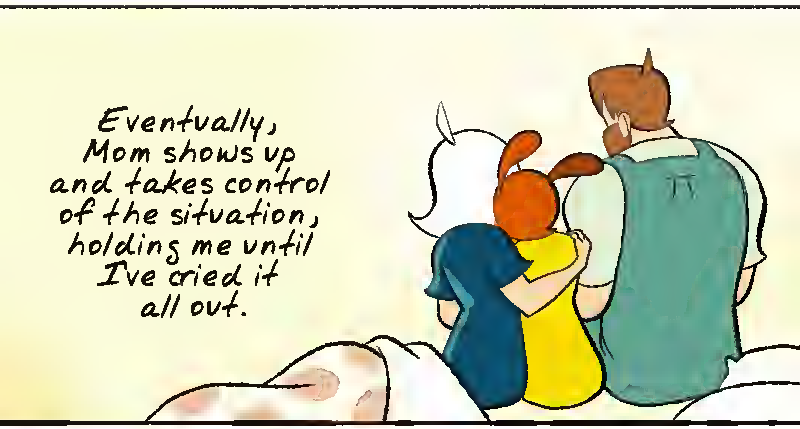
What's the matter?

Everything, Dad!
David broke up with Cassie and I might fail history class and for some reason I feel like Oliver is going somewhere far away and never coming back and I just don't know what to do!
Uh--
Amy--
That's--
I--
sniff
And also--



--I almost got beat up today.
WHAT?!

I freak out for a bit.
So does Dad.



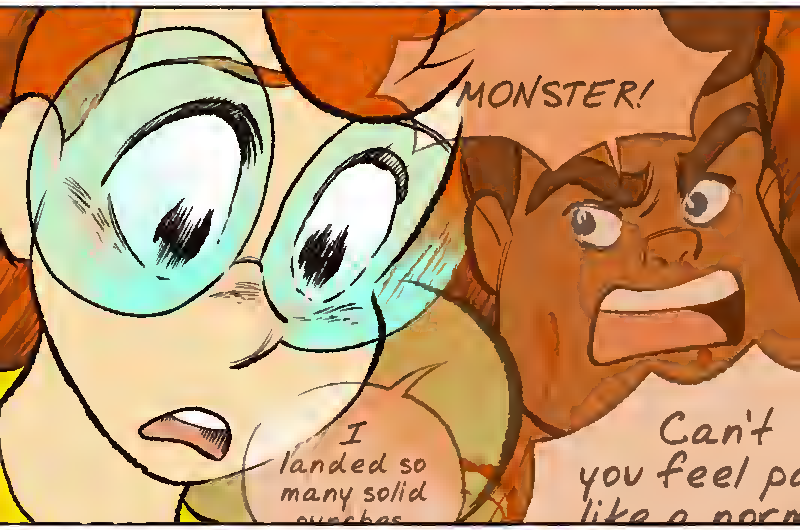
Eventually, Mom shows up and takes control of the situation, holding me until I've cried it all out.

We spend the rest of the afternoon drinking hot cocoa and watching old movies.

I'm so loved.

By the time evening rolls around, I feel a lot better...
...good enough even to work on my history report.
I sit down and put on my net gear glasses...
REC
...and notice they're still recording.
I

I turned them on when that guy attacked me.
I accidentally recorded that whole experience...
The fight...
Oliver saying goodbye...
Everything.



MONSTER!
I landed so many solid
Can't you feel pa

No, I can't watch this right now...

Maybe
tomorrow...

"I absolutely LOVE space boy! The story is so touching and adorable, but meaningful at the same time! You manage to roll up some struggles in life that are really difficult to some people in one comic, and that's awesome!"

"I saw a while back someone drew Amy as a magical girl, so I thought I'd try and draw Oliver as one!! Although it's probably out of character I thought the idea was cute! :-) I also included some doodles I've done of them both while I was reading the comic."
